Global Studio-CSUD COLUMBIA UNIVERSITY | International Institute for Global Health, IIGH - UNITED NATIONS UNIVERSITY | Urban Design Program, Urban Design Lab & Millennium Cities Initiative, COLUMBIA UNIVERSITY | Healthabitat, AUSTRALIA | Urban Design Lab, UNIVERSIDAD PONTIFICIA BOLIVARIANA | THE UNIVERSITY OF SYDNEY

WHO ARE WE?

We are urban professionals, educators and researchers from diverse disciplines including architecture, planning, urban design, graphic design, health and medicine. We share common passions. We are at WUF to promote a dialogue about equitable cities, to share our experience in education and practice. We are looking for new synergies, new ideas, new partners, and new ways of learning and doing.
